

## HOMESCREEN ON ANY SMARTPHONE AND TABLET

### HOMESCREEN:

- Homescreens are not just about to keep your app.
- It is about to keep or to pin the Apps or websites, which are frequently in use and easy to access.

### 1. Android Phones:

#### A.Chrome for Android Phone:

There are following steps to ADD **UiTV** website onto your homescreen:

- Launch Chrome, open **UiTV** website.
- Tap **MENU** button.
- Tap **ADD to HOMESCREEN** button.
- Add a shortcut name as "**UiTV**".
- Now **UiTV**website will be pinned to your HOMESCREEN.
- Now, you can drag that **UiTV** icon and you can set anywhere on Mobile Screen wherever you feel easy to access.

#### B. Firefox for Android Phone:

Follow the below steps:

- Launch Firefox in your android Phone.
- Open **UiTV** website.
- You tap the **menu** button.
- Tap the Page option.
- Tap **Add to Home Screen**.

### 2. iOS Phones:

These are the required steps:

- Launch the Safari browser on Apple's iOS
- Navigate **UiTV** website.
- Tap the **Share button** on the browser's toolbar — that's the rectangle with an arrow pointing upward.
- It's on the bar at the top of the screen on an iPad, and on the bar at the bottom of the screen on an iPhone or iPod Touch.
- Tap the **Add to Home Screen** icon in the Share menu.
- Now give a shortcut name as "**UiTV**" for accessing, before pressing the ADD Button.
- Shortcut can be dragged around and placed anywhere, including in app folders — just like a normal app icon.
- When you tap the icon, it will load the website in a normal tab inside the Safari browser app.

### 3. Windows 8, 8.1:

Windows 8, 8.1 devices also offer a way to pin **UiTV** website to your Start screen. Of course, this is most useful for TABLETS. Here also we follow few steps to accomplish it:

- Open the modern Internet Explorer browser.
- Navigate **UiTV** website.
- Pull up the app bar - by right-clicking or swiping up from the bottom of your screen- and tap the star icon.
- Tap the pin icon.
- Enter name "**UiTV**" for the shortcut.
- Click **Pin to Start**.
- The website will appear as a tile on your Start screen.
- Tap the tile and the **UiTV** website will open in Internet Explorer.

### 4. Window Phones:

Here are some steps we have to follow:

- First, open the **UiTV** in Internet Explorer.
- Tap the More (...) button.
- Tap **Pin to Start** in the menu that appears.
- Windows Phone 8.1 supports live tile updates from websites that have configured the feature.

**FOR TABLETS:THE PROCEDURES ARE THE SAME....**
